	Estimated % area of site left uncut/long grass (30cm or 1ft high) <input style="width: 150px;" type="text"/>					
	Estimated % area of site with scrub/tree cover <input style="width: 150px;" type="text"/>					
	Tick if following present: Pond/stream <input type="checkbox"/> Open-front nestbox <input type="checkbox"/> Mature broadleaf trees <input type="checkbox"/>					
⁴Breeding: (tick)	Possible <input type="checkbox"/> Probable <input type="checkbox"/> Confirmed <input type="checkbox"/>					
Observer:						
Other obs: (e.g. other birds noted)						
	Tel. No:					

Notes:

1. Please cover local churchyards as a priority. Complete 1 card per site. Negative returns are important too – please return all cards
2. Allow up to 3 visits per site. First visit between 13th-31st May. Second visit (if required) in June. Third visit (if required) in July.
3. Please specify location by name and grid reference if possible.
4. Breeding status defined as follows: Possible (bird present in suitable habitat); Probable (bird apparently holding territory, display or agitated behaviour, visiting probable nest site, nest building); Confirmed (any of the following – used nest, occupied nest, recently fledged young, adult with food for young or incubating bird, adult carrying faecal sac).

Please return all cards (including negative records) to TVERC by 31 August 2006.

Return record cards to:

**Mr Gavin Bird,
Thames Valley Environmental Records Centre (TVERC),
Oxfordshire Records Centre Manager,
Fletchers House,
Park Street,
Woodstock,
Oxon OX20 1SN**
